

2010 Shanghai Workshop on Applied Materials (SWAM 2010)

Shanghai Institute of Technology, Shanghai, China, Oct. 21-23, 2010

Sponsored by:

Shanghai Institute of Technology (SIT)
Shanghai Society of Ceramics
Shanghai Society of Advanced Materials

Organized by:

School of Materials Science and Engineering, Shanghai Institute of Technology

Important Dates

Sept. 20, 2010: Abstract Deadline.

Oct. 21, 2010: Registration.

Oct.22, 2010: Deadline for original manuscript submission.

Co-Chairs:

Guanzhong Lu
Guodong Wang

Advisory Committees

Guodong Wang (the CAE academician)
Shiji Fan (Shanghai Institute of Ceramics, CAS)
Minglin Jin (Shanghai Institute of Technology)
Cunxin Huang (Research Institute of Synthetic Crystals)
Hideo Kimura (National Institute for Materials Science)
Xudong Li (Lanzhou Institute of Technology)
Paula Vilarinho (University of Aveiro, Portugal)
Shilie Pan (Xinjiang Technical Institute of Physics & Chemistry, CAS)
Aidang Shan (Shanghai Jiaotong University)
Guojian Wang (Tongji University)
Ajun Wan (Shanghai Jiaotong University)
D.H. Yoon (Sungkyunkwan University, Korea)
Chunhui Yang (Harbin Institute of Technology)
Jinchang Zhang (Shanghai University)
Yingchun Zhu (Shanghai Institute of Ceramics, CAS)
Qinlin Zhang (Anhui Institute of Fine Optical Mechanics, CAS)

Organizing Committees:

Jiayue Xu (Shanghai Institute of Technology)
Yizhu He (Anhui Institute of Technology)
Xiangping Jiang (Jingdezhen University of Ceramics)
Yongfa Kong (Nankai University)
Xiaorong Liu (Shanghai Institute of Technology)
Zhi Sun (China University of Mining and Technology)
Huaqing Xie (Shanghai Second Polytechnic University)
Rongxin Yuan (Changshu Institute of Technology)

Zhishui Yu (Shanghai University of Engineering Science)

Secretary:

Chunfa Ouyang (ouyoung_0916@163.com), Guojian Jiang, Xiaoqian Shan

General Information

2010 Shanghai Workshop on Applied Materials (SWAM 2010) will be held at Shanghai Institute of Technology to celebrate the University's Tenth Anniversary. The scope of SWAM 2010 includes all aspects on materials design, preparation, characterization and applications. Shanghai is the largest city in China and World Expo 2010 Shanghai is the occasion for you to experience different cultures.

Place of the conference

Campus of Shanghai Institute of Technology, 120 Caobao Road, Shanghai, China.
